Canyon Crosswinds June 2026 Meeting

Financial Report by Jack Allaway

- Club total: \$43,867.25
 - CD renewing, so Jack will roll it over short term
 - We may need extra for repaving the runway in the next few months
 - Memberships are at 67 as of now... We got some new members
-

Election - Voting for Club Officers

- Slate was presented and approved. Motion accepted and vote was unanimous in favor.
 - Steve Killian - President
 - Scott Marnoch - VP
 - Jack Allaway - Treasurer
 - Valerie Krog - Secretary
-

Honored Bill Ardizzone and Jim Desautels for their many years of service to CCW

Membership Cards

- Valerie distributed digital membership cards to all who renewed/paid their membership
- Four members requested a printed card in addition to the digital card. Bob's wife Karen will laminate and mail them.

August 8th Club Fun Fly Event - Save the date!

A. Advertising

1. KHTS
2. Lake calendar
3. Signal
4. Post on social media
5. Members can send the flyer digitally to friends who may be interested (see attached)

B. Food/BBQ: Will have food, but we're not advertising it because we're hoping to just have people interested in the hobby and not free food...

C. Designated Flyers: Club members should contact Steve Killian to get on the program

1. Gary offered to bring speaker/sound system
2. Program posted
3. We'll have an information booth with models, etc.
4. Considering laptops with flight simulators

D. Different Categories of Planes/Drones/Helicopters: We want people to see the variety of the club and the fun of the hobby

1. Trainers
2. Electric
3. Gas
4. Aerobatic

5. Warbirds
 6. Civilian Scale
 7. Drones
 8. Helicopters
-

Show and Tell

- Scott brought a Tough Jet TF14 he got after it was discussed on a pod cast he listens to called Hobby View. 70mm EDF. It goes really fast and really slow. It is fun and affordable. Scott recommends the kit. You can get creative with designing it.

CANYON CROSSWINDS
